ROTISS SANITARY WARES

WWW.ROTISS.NET

E-MAIL:MANAGER@ROTISS.NET

BRIEF INTRODUCTION

TAIZHOU ROTISS SANITARY WARES CO., LTD. is one professional manufacturer for middle-high classified sanitary wares. During many years development, it has based its production on a complete set of processes such as Casting, Machining, Polishing, Plating, Assembling and Service.

Our corporation owns not only a group of rich experience engineers and senior technicians but also advanced equipments and management systems. As a result, its product manufacturing technology always takes the lead in the field, and it can continually develop some series new products according to the need of the client and the market.

Our company have also introduced VI system and taken lead in passing the certification of International Quality System ISO9000, which make the enterprise forge ahead toward the goal of higher level, standardization, normalization and internationalization.

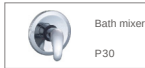

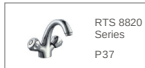

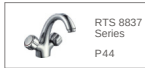

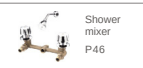

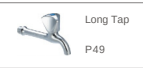

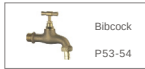

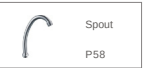

Since the establishment, by insisting on the production principle of making the products on moral quality and the marketing concepting of honest, credit, mutual benefits, we have established a good image of enterprise, won the favorable comment from numerous users and society. In future, under the lead of President Jason Liang, Rotiss Products will come into your house by tens of thousands, and become your favorite and credible products in your life.
